

Street Sweeping Schedule

City of Stephenville will begin sweeping on Monday, December 19, 2011 and will continue until Jan 19, 2012. They will be sweeping all the curbed and guttered streets, within the city limits.

The sweeping is conducted by the City of Stephenville. Residential areas will be swept during the daylight hours and business areas will be swept during early morning hours.

The order in which the streets will be swept is:

Downtown and Southeast sections: South of Frey Street and East of Harbin Street.

North section: Streets North of Frey Street, East of Harbin Street and the Kingland and River North additions.

Northwest section: Streets West of Harbin Street and Westgate, Greenview and Golf Country Estates additions.

Residents are asked not to park their vehicles in the streets when the sweepers are in their area of the City. If vehicles are parked on the street the sweeper is forced to go around and that portion of the street will not be swept.

Any resident who has questions about the sweeping project may call the City of Stephenville at 918-1292.
